Abstract

This document contains the instructions for preparing a camera-ready manuscript for the proceedings of ACL-2014. The document itself conforms to its own specifications, and is therefore an example of what your manuscript should look like. These instructions should be used for both papers submitted for review and for final versions of accepted papers. Authors are asked to conform to all the directions reported in this document.

1 Introduction

The following instructions are directed to authors of papers submitted

2 General Instructions

Manuscripts must be in two-column format. Exceptions to the (Bond et al., 2011)

Bond et al. (2011)
